Results at 4 years

	2022	2023	2024	2025	2026	Total
Formations	9	76	148	192	113	538
Participants	144	1071	1673	2299	1337	6524

(June '26)

Evaluation of the program

- 84% reported feeling "*more comfortable communicating with their care recipient*"
- 77% reported greater confidence in "*caring for them*"

New questions

Management

- Impact of the link with a national association
- Short- and long-term strategy
- Volunteer / employed resources. Development manager ?
- Strategic committee ?

Organization

- Regional/territorial area
- Integration with palliative care organizations
- Dissociation between training and organization/development

New questions

Target

Trainers

Funding

What are the priorities?

- Citizen ++
- Health professional? Medico-social? Free or professional training
- Associations family/caregivers
- Insurance, pension funds

- Stable training rate
- Many trainers are not very active ++
- How to organize the follow-up of trainers
- Volunteer trainers / paid training

- Currently relatively easy
- Annual/multi-year
- Targets and funding possibilities? Professional coordination? Communication? Territorial projects?

We are very excited to share with you these questions!

Thank you
